HIGHLIGHTS, INSIGHTS AND WHAT'S AHEAD.

## TERM 1 IN REVIEW

As we move through November, we reach an important point in the school year—a chance to pause, reflect, and look ahead. With the first term coming to a close, students are beginning to receive feedback that helps them better understand their progress so far.

More than just grades, this feedback is an opportunity for students to recognize their efforts, reflect on challenges, and consider the next steps in their learning journey. At school, we're encouraging thoughtful conversations around growth and goal-setting. At home, your support—whether through encouragement, structure, or simple check-ins—continues to make a meaningful impact.

November also reinforces the importance of strong school-family partnerships. Open communication plays a key role in student success, and we invite you to reach out at any point—whether to share feedback, ask questions, or celebrate milestones.

Thank you for continuing to walk alongside us as we support your teens. Together, we help shape not only academic outcomes, but confident, capable learners.

# INTERACTS POLITELY

## NOVEMBER PBIS

This season, we're focusing on students who interact politely with peers and staff. Politeness helps build a school environment rooted in mutual respect and cooperation. Simple acts like saying "please," "thank you," or listening without interrupting promote healthy communication. These habits enhance relationships and reduce conflicts, creating a more supportive community. As we approach the holidays, kindness and courtesy are more important than ever. Let's encourage and model respectful interactions daily.

## LATE TRANSPORTATION INFORMATION

Please note that as of **November 10**, the public transport EXO will be changing. That means that the bus number and some of the routes will be changed. If your child is planning to take late transportation, it is your/their responsibility to find what bus they will need to take.

## RHS CAMPFIRE STORY WORKSHOP

The day before Halloween, several Sec 2 ELA classes got together for the first RHS Campfire Story Workshop. Small groups of students gathered around little "campfires" to share spooky stories they had written in class. After reading their stories to their small groups, a few brave souls volunteered to step up to the microphone and read their stories to the entire crowd of up to 65 students and a panel of judges from Sec 5. We heard some fantastic (and frightening!) tales, and we hope to hear more next year!

**Congratulations to the winners of the Campfire Story Workshop Scary Story Contest, Alyssia Bouchard Bastien, Corbin Rosenblatt, and Mila Imbrogno.**
