

RHS MONTHLY

HIGHLIGHTS, INSIGHTS AND WHAT'S AHEAD.

A LOOK AHEAD

December at Rosemere High is a time of celebration—not just of what we've accomplished so far, but of the vibrant, diverse community that makes our school unique.

This season invites us to appreciate the strengths, talents, and perspectives that every student and staff member brings to our halls. It's also an opportunity to reinforce the values of respect, inclusion, and kindness that help us grow together.

As we wrap up this calendar year, we're excited for the possibilities ahead—new challenges, fresh opportunities, and continued growth in the months to come. Thank you for being a vital part of this community. Wishing you a joyful season and a happy, hopeful start to the new year!

INTERACTS POLITELY

DECEMBER PBIS

This season, we're focusing on students who interact politely with peers and staff. Politeness helps build a school environment rooted in mutual respect and cooperation. Simple acts like saying "please," "thank you," or listening without interrupting promote healthy communication. These habits enhance relationships and reduce conflicts, creating a more supportive community. As we approach the holidays, kindness and courtesy are more important than ever. Let's encourage and model respectful interactions daily.
