

RHS MONTHLY

HIGHLIGHTS, INSIGHTS AND WHAT'S AHEAD.

FOSTERING KINDNESS & CONNECTION

February is a time to celebrate the power of kindness, empathy, and connection within our Rosemere High community. As students continue to settle into their routines, it's important to remember that school is not only about academics, it's about building relationships that support growth and well-being.

This month, we encourage families to talk with their teens about the importance of kindness, both toward others and themselves. Acts of empathy and respect create a positive environment where everyone can thrive.

With activities like Anti-Bullying Week and Valentine's Day, February offers many opportunities for students to practice compassion and build stronger connections with their peers and teachers.

Thank you for partnering with us to foster a caring and inclusive community where every student feels valued.

IMPORTANT DATES

FEB 6	End Of Term 2
FEB 16	Boardwide Pedagogical Day
FEB 26	Parent Teacher Interviews
FEB 27	Pedagogical Day

RESPECTS DEADLINES

FEBRUARY PBIS

In February, we emphasize the importance of respecting deadlines. Meeting due dates shows accountability and helps students manage their workload effectively. It also allows teachers to provide timely feedback and support. A school where students honor commitments runs more smoothly and fairly for all. Learning to prioritize and follow through is an essential skill that extends far beyond the classroom. Let's help our students stay on track and take pride in their responsibility.

HIGHLIGHT

The Forge: Fostering Confidence
and Life Skills

We're excited to share an update on The Forge, our after-school, weekly boys' club facilitated by our dedicated Special Education Technicians! They are moderating using the Next Gen Men curriculum. It provides a supportive space for students to grow.

🔧 Topics Include:

- Positive Communication
- Healthy Relationships & Empathy
- Challenging Stereotypes
- Goal Setting & Resilience

Ultimately, this program helps foster confidence, emotional intelligence, and positive social skills in our students.
